

CENTERVILLE ELKS

Centerville Athletic Boosters Membership Help keep the Elk Tradition Strong

WHAT WE DO

The Centerville Athletic Booster Club is a non-profit volunteer organization dedicated to supporting the athletic programs and athletes in the Centerville School System. The Booster organization helps out where our tax dollars and school budgets fall short.

In the past decade we have funded over \$750,000 in additional athletic programming for the young people in our middle and high schools.

Here's *just a sampling* of the approximately 150 projects the boosters have helped fund:

- Softball field and fencing
- Pole vault safety landing pit
- Irrigation on baseball & soccer fields
- New soccer field goal posts
- Lockers, chairs, and benches
- Gymnastics spot mat, score flashers & vault
- Padded flooring for weight room
- Swimming lane markers & flags

HOW YOU CAN HELP

By becoming a member of the Boosters, you will provide financial support to our young people to help them develop and achieve the skills, self-confidence and respect for others which are the hallmarks of Centerville's winning tradition.

Become a Booster Member: Your membership dues directly support our student athletes and sports programs. Last year we had 326 families support our Centerville athletes by joining the Boosters. This year's goal is to increase the number of families joining and encourage returning members to increase their membership level.

Support Booster Fundraising Activities: The Booster organization has a number of opportunities available to help support our program; advertising sponsorships, concession stand proceeds, Elk merchandise and of course membership in the Boosters. All of these activities provide additional funding for our programs.

Please consider showing your support by completing the membership form on the back of this page & returning it to us. We look forward to your joining us in our mission.
