

CLUBS and ACADEMIC ORGANIZATIONS

CLUBS – Please listen to announcements or read the daily CHS Announcement emails for information on club meetings, or contact the advisor listed. ****NOTE: New clubs may be formed throughout the school year, and may not be on this list.** (If you have an idea for a new club, pitch it to Mr. Carroll!)

ACADEMIC PROGRAMS or EXTRA-CURRICULAR ORGANIZATIONS are based on a selection process or try-outs. Please listen to announcements for application information, or contact the advisor listed. The same information will be included in the daily CHS Announcement emails.

Some clubs and organizations only have a Pay to Participate fee that is billed to you. Others have additional fees, and some are completely free or have nominal club dues.

.....

Academic Team (Advisors: Mrs. Boehm-S152 & Mr. Ketcham-W144) - an academic quiz team that, following tryouts and selections, represents CHS in local and regional academic contests involving categories such as literature, science, math, history, geography, fine arts, and government. Practices are on Tuesdays after school in S152 with competition and contests in the evening and on weekends. \$23.00 Pay to Participate fee is the only cost.

Advanced Computer Science Club - an academic club designed to prepare students for taking the **AP Computer Science A** exam. The club teaches Java, meets Mon-Thurs after school in room Central 240B, and is led/taught by a professional software engineer. No prior programming experience is necessary and any student can join, however, it is strongly recommended that students complete **Algebra 2** before joining. Students should expect to do regular homework as part of being a member of this club in order to practice the skills learned. There are no fees. If interested, contact Rajeev Goel, info@chsapcs.org.

Archery Club (Advisor: Mrs. Manfredi-C113) - a club for experienced archers as well as beginners who want to learn. No equipment is necessary as the club has several beginner bows. Those with a higher skill level have the opportunity to compete in a variety of archery tournaments throughout the year. This club meets every Tuesday, usually at Oak Grove Park. \$23.00 Pay to Participate fee.

Art Club (Advisor: Mrs. Wright-C160) - explores all forms of art and engages in projects within the school and Centerville community. Open to all grades 9-12. Meets the first Thursday of every month in C160. No fee except for special projects.

A.S.L. Club (Advisor: Mrs. Farmer-W246 & Ms. Bailey-C229) - **American Sign Language Club** is for any student who wants to learn how to sign, is interested in the Deaf Culture, and wants to interact with the Deaf community. The club meets monthly from 3:00-4:30 p.m. in W246, starting with the basics - such as the alphabet - and eventually cover more in-depth topics and conversational phrases! Members will have fun learning while playing games, using music, having casual conversations, and eating lots of snacks! Club dues to be determined.

Athletic Training Student-Aide Program (Athletic Dept.) - is designed to give students the opportunity to experience and learn the profession of athletic training. Aides will assist the full-time certified athletic trainers with team practices and game preparation, and assist with first-aid to all Centerville High School student athletes. Aides will be assigned to a sport once they have finished a probationary period during their freshman or sophomore year. Annual fees assessed to purchase the clothing worn during events. Please see Mr. Dement in the Athletic Office if interested – the department is actively seeking young men to join the program.

Beading Club (Advisors: Mrs. Replogle-S274 & Mrs. Fisher) - meets once a month in S274, creating different kinds of beaded bracelets, key chains, and necklaces. Done in a kind and friendly environment, enjoying snacks and good conversation. Fee of \$10.00 to purchase beads and other supplies.

Biology Club (Advisor: Mrs. Judy-S150) - with the growing interest in the STEM fields, this club will focus on increasing biology knowledge, with a particular topic per meeting. The club will also focus on helping students become a tutor, or to be matched with a tutor. Meetings are twice a month in S150 after school. At the end of the year, students will have the opportunity to take the USABO (USA Biology Olympiad) test if they desire, and will also have the ability to join HOSA (if interested in health professions) and participate in competitions. Stipulations for HOSA membership will be strictly enforced. There is no fee for the club, but there are fees associated with HOSA if students choose to participate.

Black Student Union (Ms. Valley-C170 & Ms. Adams-C174) - a club that provides a space to embrace, discuss, and celebrate black culture. Meets after school twice a month in C170. **ALL** students are welcome to join!

Book Club (Advisor: Ms. Doll-S260 & Mrs. Oliver-E246) - open to all students who are avid readers. The club will meet once a month in S260 for one hour to informally discuss acclaimed and award winning novels. The list of the year's novels will be available at a meeting the first week of the year. \$23.00 Pay to Participate fee. **Parental permission is required to participate.*

Chess Club (Advisor: Mr. Vaccar-S164) - open to any student interested in learning the fundamentals or improving his/her knowledge of chess. Students will meet once a week from 3-4p in S164 to participate in match play. See Mr. Vaccar. \$23.00 Pay to Participate fee.

CHS Maker Lab (Advisor: Mrs. Sanderman-Library) – Located on the West end of the Library, the CHS Maker Lab is home to all sorts of great tools and activities that students are welcome to use every day during both lunches. Once a month there will be a sponsored activity or craft, but the lab is open every day to all students. Come to build, 3D print, and make all sorts of great things! All are welcome and it's free!

Circle of Friends (Advisors: Ms. Riffle & Ms. Freas-S252) - a club for all CHS students (with or without disabilities). Typical students along with students with special needs meet regularly to socialize and participate in activities together, such as attending a football or basketball game or the COF Prom. Most activities are during students' lunch time. The goal of the club is to promote the understanding and acceptance of differences among high school students and build friendships. There is no fee to participate. See Ms. Riffle or Ms. Freas in S252 to sign up and receive reminders.

Destination Imagination – D.I. is a STEAM after-school program in which students work in teams of 7 to come up with creative and innovative solutions to open-ended challenges. CHS is represented by several teams whose role it is to plan, create, and develop a creative project or mechanical device for competition at the regional, state, and Global contests. More information can be found on the district website www.centervilledistrict.com or at www.idodi.org. A placement workshop is mandatory for all returning and new participants to be placed on a team. \$23.00 Pay to Participate fee, plus some fundraising efforts to support the teams for travel expenses for higher levels of competition. If interested, please contact Laura Torres at lgtorres1028@hotmail.com.

Diabetes Club (Advisor: Mr. Cline-E166) - supports students and staff whose families are impacted by diabetes. No fee for the club.

Disney Club (Advisor: Mr. Spalding-Choir-C190) - celebrates all things Disney (including Marvel, Star Wars, Pixar, etc.)! Meets monthly before school in the Choir room, with occasional after-school activities, such as trivia and different Disney themed days. There's a small fee for food and prizes, and anyone may join. Students can follow Instagram @chsdisneyclub to get notification about future meetings and activities.

Diversity Club (Advisor: Mrs. Schmidt-E260) - celebrates and promotes an inclusive, diverse and welcoming community for the students of Centerville High School. This club is for students who are interested in working toward an appreciation and understanding of multiple perspectives in today's global climate. All students are welcome.
